Re: Ornald Burnazi v. P.O. Richard Formato, Turia Primus, et al.
Civil Action No.: 18-cv-04363 (BMC)

Dear Judge Cogan:

I represent defendants Richard Formato and Turia Primus in the above matter. This is a request for an extension of time pursuant to FRCP 6(b)(1) and (A) by which to respond to the plaintiff's complaint. Efforts to reach plaintiff's counsel to request his consent to a thirty (30) day extension of time for the named defendants to respond to plaintiff's complaint in this matter to January 28, 2019 have been unsuccessful.

Plaintiff filed this action on October 12, 2018. It appears that defendant Turia Primus was served on December 20, 2018. Thus, her answer is due on January 9, 2019. Good cause exists for this extension to allow the defendants time to conduct an investigation into the allegations of the complaint prior to responding to the complaint. There have been no prior requests for an extension of time to respond to the complaint, and this request does not affect any other scheduled deadlines.
